

God Revealed in Jesus

Christians believe that Jesus was a person who shows us exactly what God is like.

Welcome

How many triangles do you see here? A triangle has 3 sides and 3 angles, but it is still one shape. The church has long looked at triangles to help us understand how God, Jesus, and the Holy Spirit are three-in-one!

Explore - What does Jesus bring to the world?

Sing Hymn 408, "The Gift of Love."

Scripture - 1 John 4:9

God's love was revealed among us in this way. God sent His only Son into the world, so that we might live through Him.

Respond

When Jesus talked, He spoke a lot about love. In Matthew 22:38-39, Jesus said the most important thing is to love God and love your neighbors.

- How do show you love God? Do you pray, go to church, what else?
- How do you show your love for your family or roommates?
- How do you show love for people at your job or school?

Pray

"Thank you God for sending Jesus to show and tell us about your love. Help us to follow His words. Love God and love our neighbors. We love you God. Amen."

Until Next Time - Ways to Show God's Love. . .

- Every morning I will pray, I love you God with my body, mind and soul. Remind me to love my neighbor. Amen
- Bring 3 things to the food shelf or food bank. It will remind you that 1) God the Father, 2) God the Son and 3) God the Holy Spirit say, "Love your neighbor."
- Show your love by asking an older person at church, school, or in the neighborhood to tell a story about when they were a kid.
