

**Support DisAbility Ministries! On Giving Tuesday & All Year!  
Advance #3021054**

We are committed to making the United Methodist Church a place where people with disabilities are **fully included** in all aspects of worship, leadership, ministry, and mission.

Your donations help us provide grants to local churches! Past grant recipients have installed hearing loops, built ramps, created accessible restrooms, and added elevators.

**Join us in making a difference!**

Sadly, statistics show that people with disabilities are less likely to attend worship services. Furthermore, one study found that more than half of parents of children with disabilities reported that their child had been excluded from a worship service.

As our congregations continue to age, more people will develop disabilities over the coming years. Our mission is to **advocate** for the needs of people with disabilities, **empower** people with disabilities, and **educate** members of our churches and communities about issues related to disabilities and disability **awareness**.

Please consider supporting our mission by donating to  
**The DisAbility Ministries Committee of  
The United Methodist Church, Advance #3021054**
